THE STATE OF NEVADA,

ELEVENTH JUDICIAL DIST.
COURT, CLARK COUNTY DIST.

VEGAS METROPOLITAN

MOTION TO COMPEL CHIEF
JUDGE OF EIGHTH JUDICIAL
DIST. COURT TO ARREST CASE
AND TAKE JURISDICTION OF
THE PENDING EMERGENCY
MOTION FOR PETITION FOR
WRIT OF MANDAMUS AND
RELATED MOTIONS FOR CAUSE.

Respondents.

COMES NOW, McMahon, Petitioner, pro se, moves this
Honorable Court to GRANT the above captioned Motion as pled.
Based upon the foregoing facts and exhibits on file with the
Clerk of the Court.

STATEMENT OF CASE / FACTS

1. This is my second and final attempt for this Honorable Court to Arrest the Case and take Jurisdiction of the pending Emergency Motion for Petition for Writ of Mandamus and Related Motions for Cause.
2. As of June 15, 2025, nearly two months has passed since the 11th Judicial District Court E-filed the above Petition, related motions and subpoenas duces tecum to the Clerk of the Court for filing, yet no confirmation has been received by McMahon confirming that the documents were filed; what the new case number is; what dept. the case is in; or what judge the case is before?
3. McMahon has forwarded correspondence to, Steven Grierson, Clerk of the Court, on three separate occasions, for a confirmation and return request filing copy, all to no avail, as the Clerk and Government Gangster, District Attorney, Steven Wolfson are working in concert and in collusion to deny McMahon of access to the court. The troubling history showcases who and how the system is being manipulated by the Stevens to put the case in departments of ex-prosecutor jurists whose allegiance is to the Government, especially when filed pro se, the DDA's author the Opinion / Order of the Court, invoking inapplicable AEDPA provisions, barring subject-matter jurisdictional review, which runs afoul of the Nevada Supreme Court and United States Supreme Courts controlling standards and sequence.

4. No pro se petitioner can compete under such pretext, which now warrants this Honorable Court to also appoint counsel, as lawyers are not treated with such utter contempt, and ex parte hearings which allow the district attorney's office to puke out salacious legal fiction ad nauseum, rendering pro se petitioners voiceless, is systemic in the Eighth Judicial District Court. (See Exhibits on file with Clerk of Court).

5. Should this Honorable Court choose not to disrupt this ongoing conspiracy, and arrest the case, McMahon will file an Interlocutory Appeal to the Nevada Supreme Court, challenging jurisdiction and the DA's criminal enterprise, and the fact that the Clerk of the Court is devoid of any documents to produce a valid arrest warrant of 2005 for McMahon, nor any Court Minutes or transcripts of a Probable Cause Gernstein Hearing being conducted within the 48 hour period between Dec. 12-14, 2005 of the unwarranted arrest in Justice Court. This campaign of lies by the Clark County District Attorney's Office was a fucking ruse, as they have been engaging in subordination of perjury, fraud upon the court, the criminal forgery of a sitting judge's signature, Magistrate Karen Bennett-Haron, on a TCR document, a felony criminal violation, which is exactly why Government Gangster, Steven Wolfson, had Deputy Attorney General, Sabrina Clinton, fly down from Carson City to Las Vegas to represent the DA's Office in an ex parte hearing before Judge Monica Trujillo to redact/seal the record to hide

5. (Con't:) the truth, which backfired exposing DA Wolfson's criminal enterprise on JusticeForJohnny.com and U.S. Attorney General for Nevada, Sigal Chahah, investigating this case of RICO Act Violations which is just getting warmed up for media attention and Las Vegas protestors.

6. This Motion to Compel Chief Judge of Eighth Judicial Dist. Court to Arrest Case and Take Jurisdiction of the Pending Emergency Motion within 14 Days for Writ of Mandamus and Related Motions for Cause is necessary to dispense the justice owed to the case and McMahon reflective of the prima facie evidence of exhibits on File with the Clerk of the Court.

IT IS SO PRAYED.
